The wireframe is enclosed in a large rectangular border. At the top, a horizontal header section contains a logo placeholder (a rectangle with an 'X') on the left, followed by a box labeled 'Company Name'. On the right side of the header, there are three small square icons stacked vertically, with a bracket to their right. Below the header, the main content area features a centered box labeled 'CONTACT US'. Underneath this, the form is organized into four sections: 'Name' (split into 'First Name' and 'Last Name' input boxes), 'Email' (a single input box), and 'Message' (a larger input box). A bracket to the right of these three input sections is labeled 'Form'. Below the form is a box labeled 'SEND' with an arrow pointing to the text 'Button'. At the bottom of the page, a footer section contains three small square icons on the left, followed by the text 'social media'. To the right of the social media icons is the text 'Copyright Reserved ©'.
